Subject: SCE&G rate case: ORS testimony (ALL PARTIES COPIED)

Jocelyn,

ORS respectfully requests an adjustment to the testimony dates in the SCE&G rate case so that ORS can consider the public's testimony given during the night hearings. As the schedule currently stands, ORS's testimony is due before the Summerville and Charleston night hearings. If we could get an accommodation so that our testimony may be filed after the night hearings, we would be most grateful.

I list the current and proposed testimony schedule below.

Current Testimony Schedule:
ORS and other party's test due date: 4-20-10
Company rebuttal due: 5-4-10
ORS and other party's surrebuttal due date: 5-13-10

Proposed Testimony Schedule:
ORS and other party's test due date: 4-28-10
Company rebuttal due: 5-12-10
ORS and other party's surrebuttal due date: 5-19-10

ORS received notice of the Supplemental Agenda regarding clarification of the Commission's Order on night hearings. In the urgency in getting this request to you in a timely fashion, we have not been able to contact the Intervenor for their

consent; however, all parties are copied to this e-mail. It is our hope the other parties would not object as our request for an extension would apply to their testimony as well. We understand the Company has no objection to our request.

Best regards,
Shannon
